summary of cover

prize indemnity

Prize Indemnity provides cover for a competition in which the participants are offered the chance to win a prize by **rolling seven x 6's in a single throw** using Event Insurance Services supplied dice. Roll-a-dice insurance reimburses an event/competition organiser the cost of awarding a prize if a participant successfully throws seven x 6's facing upwards during a roll-a-dice competition.

re-instatement

Re-instatement provides cover for the prize to be re-instated should a successful throw occur, for only a small additional premium. Whilst the re-instated prize can only be won once, it does allow every participant a go at the prize.

security

The policy will only meet a claim if the roll-a-dice is witnessed by a pre-disclosed and acceptable adjudicator and video-taped as proof. The seven die are of standard weight and size with a maximum of six sides, with only one side per die having a number 6 printed on it, and can only be supplied by Event Insurance Services Ltd (unless agreed by us).

adjudicator

If you have chosen to have an adjudicator as your security, they must be employed in one of the following professions:

Teacher

Bank Manager

Qualified Accountant

Doctor

Police Officer

Company Director

Lawyer

Veterinarian

Justice of the Peace
