## HOW TO USE THIS WORDING

Policy terms and conditions can be confusing. We have endeavoured to make it easier by explaining how to use this booklet and where you can find the information you need.

---

*“Knowing what you are and aren’t covered for is essential to any insurance policy or quotation”*

*Dan Rose Cert CII, Event Insurance Services Ltd, Company Director*

---

### Your Documents

This document should be read in conjunction with two others which you have received with your policy or quotation. These documents form the basis of the contract of the policy. These documents are:

- Your **Policy Certificate** or Your Quotation,
- Your **Statement of Fact**

Your **Policy Certificate** or Your Quote will provide you with important information; it will tell you who we are covering and which of our protections you have taken out, and how much you are covered up to in the **Tournament** of a claim.

When looking at the policy terms and conditions it is important that you check the quote or certificate, so you know which sections you need to read and refer to

Your **Statement of Fact** is your copy of the information you have declared to us. It is this information which we have based our decision to provide you with the insurance or a quotation. It is vital that you make sure the information contained within this document is correct.

### Important Words

In insurance, words or phrases can have special, specific meanings. If something has a special meaning, it is usually because it differs from that of a standard dictionary definition.

These words we highlight in **bold** and have their meanings explained in a glossary, or in some form of help text. The list of special words which we have put together can be found on page 7. Important definitions can affect your policy.

### Where to find what you’re covered for...

When looking at your documents it is important to make sure you know which sections of the wording you need to read.

Our Summary of Cover section outlines what you *are* covered for.

Our policy document lays out our General Exclusions in their own ‘chapter’ before you get down to the ins and outs of each individual section.

Under this type of policy however, it is mostly in the ‘conditions’ section you will see the what are the rules of the policy and in turn, how you need to run your competition.

### Conditions of cover

In the same way there are conditions when it comes to making a claim i.e. what you need to do in the event of a claim; there are also conditions which apply to the purchase of the policy and what you should do leading up to the **Event**.

By taking out the policy, you are agreeing to these conditions, so do make sure you read and understand them. If there are ever any elements of these conditions (known as General Conditions) or the Claim Conditions which you don't understand, do let us know and we can explain them to you.

## What to do if you need to claim

Our claims chapter outlines what you need to do, what information you need to provide us and what our responsibilities are. Common things to be aware of are:

- *Time frames* - how long you must report a claim to us.
- *Evidence* – All claims require a degree of evidence to ensure that the claim is honest and covered under the terms of the policy.

It is always worth reading this so you are prepared should you need to use the policy.

The last thing to be aware of is that **we** do need to be notified of any incident which takes place and could give rise to a claim in the future.

## Regulatory Information

As an authorised and regulated company, we must provide you with details about our regulation, who we are, our contact details and what to do if you are not happy with the coverage in the **Tournament** of a claim. This information is detailed at the end of the policy document.

## What you should do next...

We strongly recommend that You read this Policy and keep it in a safe place.

Your Policy and certificate should be read carefully to ensure that it meets Your requirements. You must take care to provide Us with accurate information which is correct to the best of Your knowledge. Please check all the Policy details carefully, these set out the information You have given Us.

If You think there is a mistake, or You need to make changes, You should notify Us immediately. Failure to provide correct information or inform Us of any changes could adversely affect Your Policy, including invalidating Your Policy or causing claims to be rejected or not fully paid.

It is also Your responsibility to ensure that this Policy satisfies the requirements of the Venue(s) or local council, if applicable.

## IMPORTANT DEFINITIONS

**Words or phrases used within this document which have a special meaning.**

From this point on in the wording, if a word is highlighted in bold, it will have a meaning which can be found here.

---

*If we have not given a word any special meaning, then you should refer to the Oxford English Dictionary for its meaning as that is what would be referred to if necessary, in the event of any claim.*
